BIENNIAL AND ANNUAL REPORTS

OF THE

STATE AUDITOR

OF THE

STATE OF MONTANA

FOR THE FISCAL YEARS ENDING NOV. 30,

1911-12

C. M. McCOY, State Auditor

W. J. THOMSON, Deputy Auditor

"INDEPENDENT PUBLISHING COMPANY, HELENA, MONTANA."

THE STATE OF MONTANA, AUDITOR'S OFFICE.

Hon. Edwin L. Norris,
Governor,
Helena, Montana.

Sir:—

I have the honor to transmit herewith, in compliance with Section 420, Political Code, Revised Codes of Montana, the biennial report of the State Auditor for the fiscal years ending November 30, 1911, and November 30, 1912, showing a statement of the funds of the state, its revenues, of the public expenditures during the two preceding fiscal years, together with a detailed estimate of the expenditures to be defrayed from the treasury for the two ensuing fiscal years, specifying therein each object of expenditure and suggesting the means from which such expenditures are to be defrayed.

I desire to call your attention to the fact that the Eleventh Legislative Assembly made an appropriation covering the expense of the government for the period including the months of December, 1910, and January and February, 1911, and thereafter the Twelfth Legislative Assembly appropriated for the expense of the government for the two years beginning March 1, 1911, and ending March 1, 1913; and therefore, while this report is made in conformity with the law, showing the condition of the state's business as of November 30, 1912, the unexpended balances of the different appropriations extend to February 28, 1913.

That portion of the business of the State Auditor's office relating to insurance concludes December 31, each year, the annual report of that department being submitted about April 1 of the following year, in which is included a detailed statement of the transactions of the insurance department. This, having already been accomplished for the year ending December 31, 1911, is omitted from this report. There is submitted, however, for your consideration, a recapitulation of the fees and taxes received and the sources therefrom from November 30, 1911, to November 30, 1912.

Very respectfully,

C. M. McCOY,
State Auditor.

Biennial Report.
